I understand that “MRCGP [INT]” stands for “Member of the Royal College of General Practitioners [International]” and the title is subject to remaining a Member in Good Standing, which involves continuing annual membership subscription and adhering to the RCGP values and philosophy.

If accepted for International Membership, I undertake to continue approved postgraduate study while I remain in active general practice, and to uphold and promote the aims of the College to the best of my ability.

I attach the following:
